A few notes from the Minister's desk...

The plan was to hold a Child Dedication for four children on February 25th. Unfortunately, due to illness, only one child could come- and what a delight it was to dedicate William (Liam) Longfellow! We will schedule another dedication soon for the three who couldn't come- and if you'd like to add your child to that dedication, let me know.

Last Wednesday, I spoke at a vigil for Nex Benedict, the non-binary teen who died after a fight at their school. The vigil was planned by Babs Allen and others, and occurred just before Prairie Pride Coalition's LGBTQ Town Hall. Last Thursday, I spoke at a vigil calling for peace in Gaza. Thursday's vigil was organized by Nicté Rivadeneyra-Braswell, a current ISU student who grew up here at UUBN. Karla Bailey-Smith ably mentored this newer organizer. Both vigils served as a welcoming space where people could share their grief and anger and hope. At the Gaza Vigil, I read from the statement released by the Office of the President and other senior national staff of the Unitarian Universalist Association (UUA), grounded in the values of Unitarian Universalism and in conversation with previous resolutions, statements, and actions passed by General Assembly, the UUA's democratically-elected governing body. You can find it here: <https://www.uua.org/pressroom/press-releases/uua-condemns-violence-urges-ceasefire>

Finally, a reminder that there is a place for you at UUBN! If you haven't found your way to a group or activity and would like help or have questions, please let me know! Easiest is probably email- minister@uubn.org.

Fondly,
Rev. Rebecca

From the Board

Larissa Armstrong, Board President

I would like to thank the 60 members who attended (via zoom and in person) the February 25, 2025 Congregational Meeting. We had a very productive meeting!

The 2023 Annual Report was approved (pending some date corrections) by members. If you have not yet read through this comprehensive report of UUBN activities, I highly encourage you to do so! It is located in the Important Documents folder of the "For Members" section of the website. If you need help accessing the document, please see Blair in the office. The Annual Report contains minutes from the Congregational Meetings held that year, a copy of the church budget, and reports from the Trust, from staff, and from the numerous ministry and governance groups that make church life in and outside our church walls happen. This is also a great way to learn about opportunities to get more involved! I want to thank everyone who is named in this report and to those who may not be named but have participated in one or more of the activities listed. The contents of this annual report is a testament to our commitment to our church and our larger community. I would also like to thank Blair for the work she put in, compiling all of this information.

The 2024 Budget was approved, and due to the incredible increase in pledging from members, our projected deficit is considerably lower than what was

anticipated several months ago. The Finance and Stewardship Committee is working diligently to continue to close that gap now and in the future. This is a reminder that our church runs solely on the financial contributions of members and friends, and every bit helps. If you have not yet made a financial pledge to support our congregation for 2024, you still can! Contact [the office](#) for more information.

In a ballot vote resulting in a 55 - 5 vote, the members present approved the Proposal to Borrow from the Trust to fund the UUBN Solar Project. The Congregation will borrow up to \$195,000 from the UUBN Trust to pay for rooftop solar panels. The loan will be repaid on demand, with the expectation of receiving approximately \$123,000 in state and federal payments within the first year following installation. The balance will be repaid from additional rebates and energy savings, including unspent funds from the Capital Campaign. Interest on the unpaid balance to be accrued at 4% per annum. The window to apply for the Illinois Solar for All program opens in early June. If the UUBN project is approved, it is likely project installation will occur by last summer 2024. This investment will save the church thousands of dollars a year in energy costs for over 35 years. Electricity rates continue to rise year after year, and the solar installation will help protect against that. This step toward solar is an excellent financial investment for the church, and an investment in the future of our shared environment. Stay tuned for more project updates this summer!

Again, thank you to everyone who participated in this important element of our church governance! If you have any questions, please do not hesitate to reach out to your Board Members: Larissa Armstrong, President; Julie Prandi, Vice President; Nancy Armstrong, Treasurer; Chad Kahl, Secretary; Directors: Jill Enchelmayer, Karla Bailey-Smith, Hubert Morales, Richard Seehuus, Brad Bell.

**You're Invited to Speak for Transgender Day of

Transgender Day of Visibility falls on Easter Sunday this year. As I begin planning our Easter Service, I would like to extend a special invitation to members of the transgender community to be involved. I'm not quite sure how this will look, we can talk based on your comfort level. Maybe reading a blessing for TDOV? Maybe sharing a personal anecdote? Maybe reading something in the service that's not related to TDOV? Reading alone? Reading with a small group depending on how many people are interested?

Junior High Visit to Hindu Temple of Bloomington-Normal

Pamela Spencer (chaperone), Thea, Roan, Jackson, Will, William, Charlie, MaAdwoa, Otto, Ramona, Oscar, and Claire (chaperone) had a wonderful visit to the Hindu Temple. Thanks to Preetha Bhat who visited the group a couple Sundays ago to share her experiences

growing up in the Hindu community. We've learned about and visited Unitarian Universalism (UU Urbana-Champaign), Christianity (First United Methodist), Judaism (Moses Montefiore Temple), Islam (Islamic Center of McLean County). Next we'll learn about Catholicism and we hope to visit Epiphany Roman Catholic Church.

Resources from Adult RE: Dear Liberal Allies

Participants in last Sunday's program, Shane Wall, Gary Gletty, Jim Parr, Bruce Whitmore, Craig Cooley, Joanne Alexander, Debbie Kerrigan, and Kathy Packard, began the session by each sharing one thing an ally is or does: listen; find common ground; speaks out when they see injustice; participates in actions to support those who are oppressed; aligns themselves with people from an oppressed group; knows it's not about them; speaks up but not in place of others; allyship is a group thing not an individual thing; peer group to peer group.

Adult RE: Facing Extinction: Processing Eco-Grief

Tuesday, March 19, 6:00-8:00

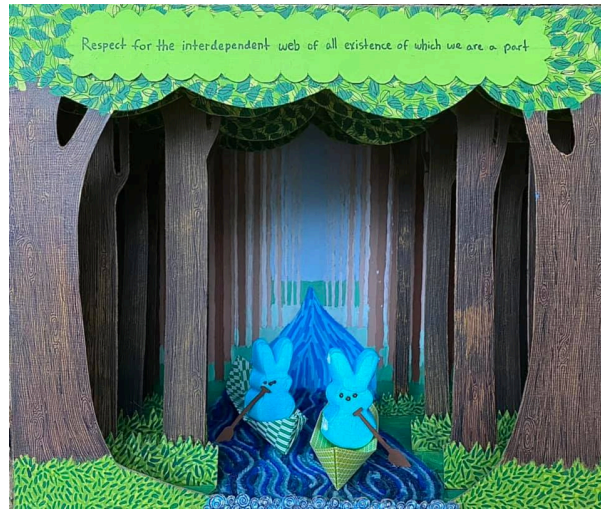

All are welcome. Due to the climate crisis, we face questions about our collective existence as a species and whether the planet is dying (at least as it is inhabitable by humans). Using concepts from the “Work That Reconnects,” developed by Joanna Macy, we’ll bravely explore this emotional terrain.

How Can You Help?

One of the suggestions made during the budget brainstorming/feedback sessions was to have volunteers take on some of the tasks currently being done by staff. If any of these tasks interest you, let Terina know and she can share more information!

1. Clean the fridge & kitchen (once a month) - Connor MacLeod-Carlson
2. Strip the branches in the playspace area (one time) - ??????
3. Host an all ages backyard campout at the church using materials from the last one (one time) - ??????
4. Create a binder for Gender Expansive Resource Center (GERC) instructions (one time) - ??????
5. Count and record the GERC inventory (once a month) - Sandy Aronen
6. Create plant ID tags for the pollinator garden - Larissa Armstrong
7. Use the Over the Rainbow logo and create promotional materials (one time) - Babs Allen
8. Make curtains for the youth room (one time) - Kristen Johnson
9. Clean up the garden at the bottom of the kitchen stairs (seasonal) - Lenore Clark
10. Organize the supplies for Our Whole Lives (one time) - ??????

11. Create promotional materials for Our Whole Lives (one time) - Debbie Spensley

UU Peep Dioramas!

It's PEEP time! Ready for our traditional peep diorama building? A project for all ages! I have Peeps, boxes, paper, and other supplies you may need. Create one together as a family project or have each person create their own. The only guideline is the theme of Unitarian Universalism. Past dioramas have highlighted favorite church events, church spaces, sources of our faith, or a principle in action. Bring your creation to church before March 30th so they can be on display for Easter! See photos of past year dioramas in Fell.

Save the Date for Adult Mental Health First Aid Training

Wednesday, July 24, 8:00-5:00, Fell Room

You are more likely to encounter someone in an emotional or mental crisis than someone having a heart attack. Mental Health First Aid teaches you how to identify, understand, and respond to signs of mental illness and substance use disorders.

Led by McLean County Health Department, this training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to the appropriate care.

Register here - <https://www.surveymonkey.com/r/2024mhfa>

If you'd like to do the training on a different date, the McLean County Health Department's website has information on ongoing monthly trainings.

Bring Your Pop Can Tabs to Church

Ronald McDonald House Charities provides housing, support, and community so that families with children who have serious medical needs can stay together while receiving medical care. This global

organization has over 380 Ronald McDonald Houses in 64 countries. Each one accommodates families with children receiving treatment who are being treated at nearby hospitals and medical facilities. Regardless of whether you choose to eat at McDonald's, RMH is a nonprofit organization that truly supports families facing the emotional and economic toll of having a critically ill child in the hospital or other treatment centers.

We are one of those families. For the past 9 years, we have found a welcoming refuge at RMH facilities in the Chicago area. We are so grateful for the organization. We didn't know what RMH's purpose was until we needed it, so we try to share its importance when we can. We've participated in a variety of fundraising activities and advocacy for RMH because we've met so many families facing difficult circumstances who have benefitted from a place of support - from a mother who emigrated to the US with her husband from Iraq and was caring for her 1-year-old with a large brain tumor, to a family from Kentucky whose two children were being treated for life-threatening autoimmune disorders.

There are ways to support this organization that require only your upcycling! Help us collect can tabs (or pull tabs), which contain a trace of copper and are recycled by RMH to raise funds. These small tabs can add up to tens of thousands of dollars used to house and feed families and provide supportive staff and volunteers.

Bring your can tabs to church and place them in the RMH donation box located by the RE info in the Fell Room (with many thanks to Terina for suggesting this!). We will deliver your donated tabs to the Ronald McDonald House where we stay in Chicago near Lurie Children's Hospital.

THE IMMIGRATION PROJECT

This Month's Community Plate Recipient *The Immigration Project*

This March, our donations go to the Immigration Project.

- The Immigration Project is the principal provider of immigration legal services in Central and Southern Illinois. Despite the fact that over 100,000 immigrants live south of I-80, The Immigration Project is the only non-profit, legal service staffing full time immigration attorneys, serving 700-1000 clients a year!
- Access to immigration legal services can be the difference between struggling in poverty and economic self-sufficiency; the difference between living in a domestic violence situation and escaping it; the difference between hopelessness and hope. The work that The Immigration Project does is VITAL for community health, individual wellness, and immigrant success.
- The work that The Immigration Project does not only changes lives, but saves them! In addition to standard immigration cases like adjustment of status and naturalization, The Immigration Project has a Survivors of Trauma program, dedicated to helping refugees and immigrant victims of domestic abuse, sexual abuse, and crime. By making a donation to The Immigration Project today, you can help build healthy, whole communities in our state.
- A couple of fun facts: one in six workers in Illinois are an immigrant and one in seven people in Illinois are an immigrant. Also, 97 cents of every

dollar donated to The Immigration Project goes directly to help immigrant clients.

To donate to The Immigration Project, make out your check to The Immigration Project and deliver to UUBN. Donations can also be made via the Breeze Online Giving website [here](#) or from your smartphone when you [download the app](#). Our subdomain is uubn.
