*A few notes from the Minister's desk...*

Last Sunday, the plan was to hold a Child Dedication for four children. Unfortunately, due to illness, only one child could come- and what a delight it was to dedicate William (Liam) Longfellow! We will schedule another dedication soon for the three who couldn't come- and if you'd like to add your child to that dedication, let me know.

On Wednesday, I spoke at a vigil for Nex Benedict, the non-binary teen who died after a fight at their school. The vigil was planned by Babs Allen and others, and occurred just before the Prairie Pride Coalition's Town Hall. On Thursday, I spoke at a vigil calling for peace in Gaza. Thursday's vigil was organized by Nicté Rivadeneyra-Braswell, a current ISU student who grew up here at UUBN. Karla Bailey-Smith ably mentored this new organizer. Both vigils served as a welcoming space where people could share their grief and anger and hope. I read from the statement released by the Office of the President and other senior national staff of the Unitarian Universalist Association (UUA), grounded in the values of Unitarian Universalism and in conversation with previous resolutions, statements, and actions passed by General Assembly, the UUA's democratically-elected governing body. You can find it here: <https://www.uua.org/pressroom/press-releases/uua-condemns-violence-urges-ceasefire>

Finally, a reminder that there is a place for you at UUBN! If you haven't found your way to a group or activity and would like help or have questions, please let me know! Easiest is probably email- [minister@uubn.org](mailto:minister@uubn.org).

Fondly,  
Rev. Rebecca

### Adult RE: Facing Extinction: Processing Eco-Grief

*Tuesday, March 19, 6:00-8:00*

All are welcome. Due to the climate crisis, we face questions about our collective existence as a species and whether the planet is dying (at least as it is inhabitable by humans). Using concepts from the “Work That Reconnects,” developed by Joanna Macy, we’ll bravely explore this emotional terrain.

### How Can You Help?

One of the suggestions made during the budget brainstorming/feedback sessions was to have volunteers take on some of the tasks currently being done by staff. If any of these tasks interest you, let me know and I can share more information!

1. Clean the fridge & kitchen (once a month)

2. Strip the branches in the playspace area (one time)
  3. Host an all ages backyard campout at the church using materials from the last one (one time)
  4. Create a binder for Gender Expansive Resource Center (GERC) instructions (one time)
  5. Count and record the GERC inventory (once a month)
  6. Create plant ID tags for the pollinator garden - Larissa
  7. Use the Over the Rainbow logo and create promotional materials (one time)
  8. Make curtains for the youth room (one time)
  9. Clean up the garden at the bottom of the kitchen stairs (seasonal)
  10. Organize the supplies for Our Whole Lives (one time)
  11. Create promotional materials for Our Whole Lives (one time)
- 

## UU Peep Dioramas!

It's PEEP time! Ready for our traditional peep diorama building? A project for all ages! I have Peeps, boxes, paper, and other supplies you may need. Create one together as a family project or have each person create their own. The only guideline is the theme of Unitarian Universalism. Past dioramas have

highlighted favorite church events, church spaces, sources of our faith, or a principle in action. Bring your creation to church before March 30th so they can be on display for Easter! See photos of past year dioramas in Fell.

The purpose of the **First Sunday Nonfiction Book Group** is to educate ourselves in order to take actions toward justice for all in public policy.

- March 3, 2-3 P.M. *Correction: Parole, Prison, and the Possibility of Change*; Ben Austen. Macmillan, 2023. 10 Registered.
- April 7, 2-3 P.M. *Preparing for War: The Extremist History of White Christian Nationalism—And What Comes Next*; Bradley Onishi. Broadleaf Books, 2023. I heard an interview of Onishi on the PBS News Hour. The topic concerns the here and now in the U.S. political arena.

The **Unitarian Universalist Association selection for its 2023-2024**

**Common Read:** *On Repentance and Repair: Making Amends in an Unapologetic World*, by Danya Ruttenberg. Participants are now choosing a meeting time to discuss the book. 4 registered.

The participants in the discussion of ***Democracy Awakening: Notes on the State of America***, by Heather Cox Richardson (author of *How the South Won the Civil War*). Penguin Random House, 2023, are now choosing a meeting time. 8 registered.

**Let Us Read A Novel:** *The Night Watchman: A Novel*, winner of the Pulitzer Prize; Louise Erdrich. HarperCollins, 2020. Erdrich is well-known writer of Native American stories. We will read slowly and deeply. The participants started meeting every other Thursday evening, 7-8 P.M., on February 22. 11 registered.

For those who like self-exploration, Tom is organizing a discussion of Søren Kierkegaard's ***The Sickness Unto Death***. Translation by Bruce H. Kirmmse. See review in *The Nation* magazine, Dec. 11/18, 2023, pp. 44-46, by Clare Carlisle, professor of philosophy at King's College, London, or ask me for a

copy of the review. Kierkegaard is interested in “our deeper, truer self...beyond bodies, thoughts, and emotions.” This book explores what Kierkegaard calls “despair,” recognized when we are reminded about parts of ourselves that we normally overlook or have forgotten about, and an experience shocks us back into recognizing that loss of the self. Kierkegaard thought that this is evidence of spiritual disconnection from something he calls god. But Carlisle says that “there is nothing specifically Christian, or even biblical, about this notion of godly connection and disconnection.” We will work our way through the book in parts. Sign up by March 1 through UUBN office or through [tomclemenstomten66@gmail.com](mailto:tomclemenstomten66@gmail.com). 4 Registered.

**Share Your Writing** - The next session is Wednesday, March 20, 7-8 P.M. Writing at any stage is welcome. We share and discuss.

## Wedding at Logan Prison

On February 22, Babs Allen officiated at the wedding of a woman who is currently incarcerated at Logan with her high school sweetheart. They had been friends, but became reacquainted when he began visiting her in prison. Babs did a lovely Pagan service with poetic invocations of spirits, gods, and goddesses. The first vows were spoken separately by each (different vows for the man and woman); then the vows they recited together were performed. A braided band was tied around their clasped right hands after the exchange of rings, to symbolize their commitment and oneness. Julie Prandi was there visiting Marilyn Lemak; they were both invited to share in the service, which took place in the visiting room. Julie signed as one of the witnesses.

## Summary of the January 2024 Budget Feedback Sessions

At the December Congregational Meeting, Treasurer Nancy Armstrong proposed a budget for 2024 to the congregation. She indicated the need for feedback from the congregation before the final budget would be voted on by the congregation on Feb. 25th. Three feedback sessions were held in Jan. 2024. Participants (25 of them) enthusiastically had many questions and several suggestions for raising more money and cutting expenses. Additional input came from two members who were unable to attend but had many ideas.

Nancy will rework the proposed budget and present it on Feb. 25th to the congregation for their approval.

If you wish to receive a report of the feedback (4 pages), email ~~XXXX@XXXXXXX~~.

The Stewardship Committee thanks all who participated in this communication effort.

## **Town of Normal Sustainability Plan ("Vision 2050") Needs Your Input!**

Every 5 years, the Town of Normal calls together a diverse group of citizens to create a Vision Plan for the community. This exercise establishes goals and priorities to ensure Normal is a great place to live 25 years in the future. The theme of the Vision 2050 plan is sustainability! The citizen group behind the Vision 2050 plan has created a [survey](#) to engage as many people as possible in their effort to set forth sustainability goals and priorities.

As UU's, our 7th Principle calls on us to respect the interdependent web of all existence of which we are a part. You can put that principle to work by completing the survey and staying tuned for additional public engagement opportunities later this spring and summer. The Town Council has a strong history of taking seriously the recommendations of its constituents, whether

those people are residents, employees at businesses in Normal, or visitors to Normal.

"Making a difference" in the world can seem daunting when you're looking at the international or national stage, but making a difference right here at home is completely within reach. So after you complete the survey, please circulate it to friends, family, and groups within your network.

## Bring Your Pop Can Tabs to Church

Ronald McDonald House Charities provides housing, support, and community so that families with children who have serious medical needs can stay together while receiving medical care. This global organization has over 380 Ronald McDonald Houses in 64 countries. Each one accommodates families with children receiving treatment who are being treated at nearby hospitals and medical facilities. Regardless of whether you choose to eat at McDonald's, RMH is a nonprofit organization that truly supports families facing the emotional and economic toll of having a critically ill child in the hospital or other treatment centers.

We are one of those families. For the past 9 years, we have found a welcoming

refuge at RMH facilities in the Chicago area. We are so grateful for the organization. We didn't know what RMH's purpose was until we needed it, so we try to share its importance when we can. We've participated in a variety of fundraising activities and advocacy for RMH because we've met so many families facing difficult circumstances who have benefitted from a place of support - from a mother who emigrated to the US with her husband from Iraq and was caring for her 1-year-old with a large brain tumor, to a family from Kentucky whose two children were being treated for life-threatening autoimmune disorders.

There are ways to support this organization that require only your upcycling! Help us collect can tabs (or pull tabs), which contain a trace of copper and are recycled by RMH to raise funds. These small tabs can add up to tens of thousands of dollars used to house and feed families and provide supportive staff and volunteers.

Bring your can tabs to church and place them in the RMH donation box located by the RE info in the Fell Room (with many thanks to Terina for suggesting this!). We will deliver your donated tabs to the Ronald McDonald House where we stay in Chicago near Lurie Children's Hospital.

**Serving the  
immigrants of  
downstate  
Illinois since  
1995**

**THE IMMIGRATION PROJECT**

**This Month's Community Plate Recipient**

*The Immigration Project*

This March, our donations go to the Immigration Project.

- The Immigration Project is the principal provider of immigration legal services in Central and Southern Illinois. Despite the fact that over 100,000 immigrants live south of I-80, The Immigration Project is the only non-profit, legal service staffing full time immigration attorneys, serving 700-1000 clients a year!
- Access to immigration legal services can be the difference between struggling in poverty and economic self-sufficiency; the difference between living in a domestic violence situation and escaping it; the difference between hopelessness and hope. The work that The Immigration Project does is VITAL for community health, individual wellness, and immigrant success.

- The work that The Immigration Project does not only changes lives, but saves them! In addition to standard immigration cases like adjustment of status and naturalization, The Immigration Project has a Survivors of Trauma program, dedicated to helping refugees and immigrant victims of domestic abuse, sexual abuse, and crime. By making a donation to The Immigration Project today, you can help build healthy, whole communities in our state.
- A couple of fun facts: one in six workers in Illinois are an immigrant and one in seven people in Illinois are an immigrant. Also, 97 cents of every dollar donated to The Immigration Project goes directly to help immigrant clients.

To donate to The Immigration Project, make out your check to The Immigration Project and deliver to UUBN. Donations can also be made via the Breeze Online Giving website [here](#) or from your smartphone when you [download the app](#). Our subdomain is uubn.
